25X1

MEMORANDUM FOR:  ~~Focal Point Officer~~

25X1

FROM: Manpower and Reserve Affairs Branch  
Plans and Operations Group  
Systems Integration Office

SUBJECT: Program Completion Processing

1. In order to complete the full circle of Surgee processing, and perhaps more importantly, to identify vacant billets, it is necessary to know as promptly as possible when a Surgee is leaving the program. In order to expedite that information it is requested that the attached form be xeroxed and used.

25X1

2. When the form is received by this office and upon your recommendation, a certificate and letter of appreciation will be prepared and signed by  Special Assistant for Emergency Planning, Intelligence Community Staff. These will be forwarded to you for appropriate presentation.

3. Additionally, the Surgee's program-related clearances will be debriefed and his medical file closed. You may be requested to assist in this process.

4. It is hoped that by using the attached form appropriate data bases and records can be kept up to date, thus making the program more efficient. Your assistance is appreciated.
